Dedicated to

JEFF KRETH

Jeff Kreth was an inspiration to everyone who knew or came in contact with him. Even though Jeff was seriously ill, he always carried a smile on his face and a kind word for people.

You never heard Jeff complain about things for which he had no control. Jeff did not let his illness get in the way of bringing happiness to others. He made a point to accomplish this goal daily. Personally, Jeff brought a smile to my face and a reason for pursuing life.

Jeff based his life on a positive attitude. Jeff lived by the premise that a positive attitude works most of the time, but a negative attitude works all the time.

If we could all take a little of what Jeff shared with us, our lives will be much more fulfilled.

Thank you, Jeff, for sharing your ideals with us.

As the seniors of the class of 1987 complete this major portion of their education, I want to wish them all the luck and success in the next phases of their life. You have all been extremely hard working and dedicated in your quest of excellence. With this goal-directed desire, you will all be successes.

I hope your memories while attending Argonaut have been as rewarding as mine have been having you as students. Please remember that if your glass is always half full rather than half empty, you will approach life with a positive attitude.

In the words of Vince Lombardi on success, "the difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather in a lack of will."

Best Wishes and Good Luck,
Mr. Rick Carder

Congratulations to the graduating class of 1987! The past four years of your life have been filled with joy, laughter, tears, hard work and, of course, good times. High school has been the most important part ot your life. Now, you have reached the pinnacle of these four years in one most important night--Graduation! You will stand together as a group, but each of you is unique and special, and your lives will now take different paths.

Continue to strive for the best. Demand it in yourself. Make the most of your opportunities and you will be happy as you continue life's travels.

I am, indeed, glad that you have been a part of Argonaut High School. Treasure your memories! Reach for new heights! Live happy!

Congratulations!
Mr. Chris Equinoa

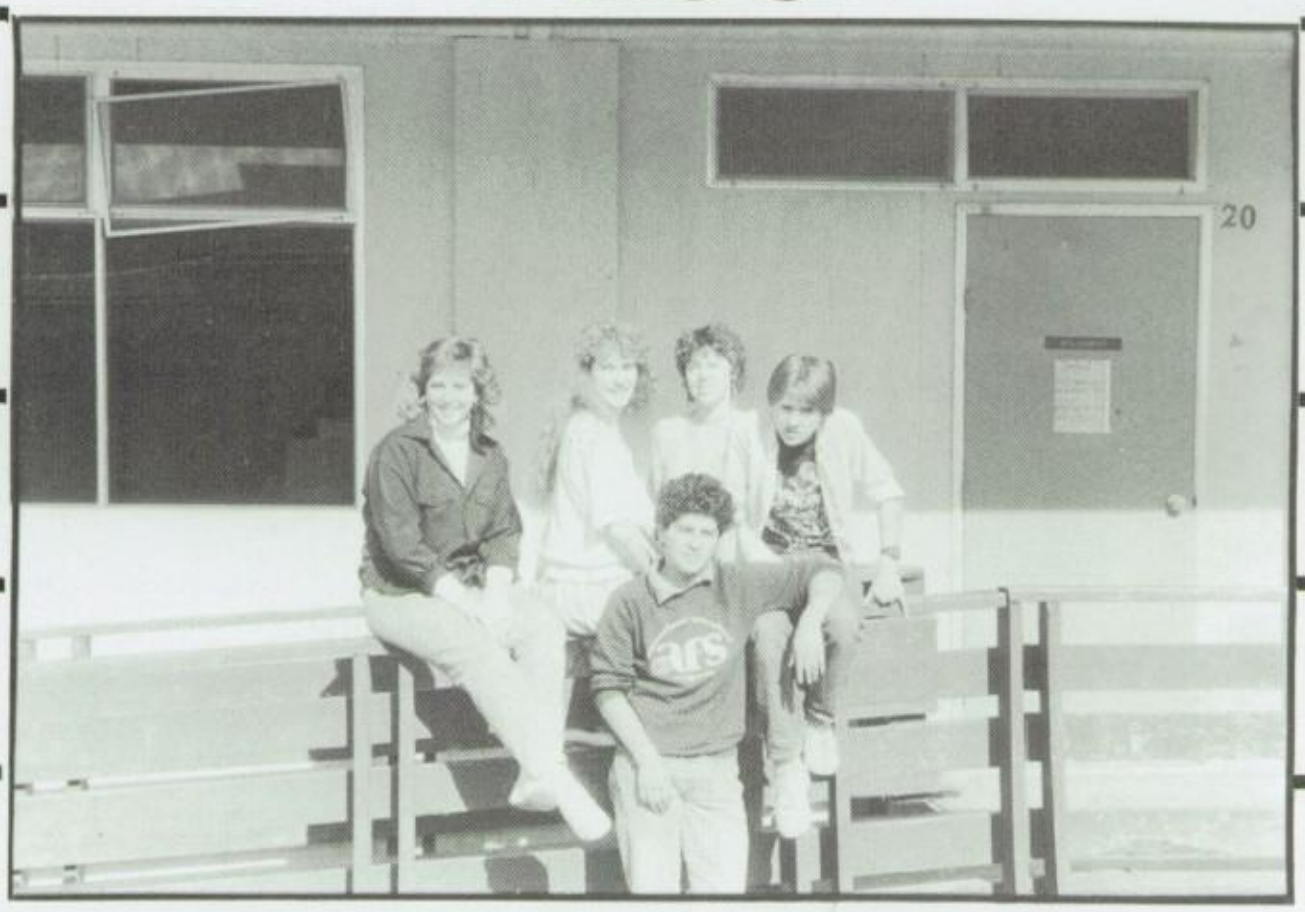
FESO



Foreign Exchange Students Organization

The Foreign Exchange Students Organization is a relatively new club. FESO was formed last year to serve Argonaut students wishing to travel or study abroad, either for a year or summer program. The club provides information on programs and helps to defer the costs of travel. Jeff Welch has gone to Argentina and FESO has sent Kathleen Smalldon and Beverly Peters to Japan, all on summer programs.

The Christmas Dance 1986

The air was cool and hearts were warm as approximately eighty couples,dressed in tuxedos and formal attire arrived at Argonaut for the annual Christmas dance held on December 13,1986. Decorations of reindeer, crepe paper and balloons met each couple as they passed through the doors. The theme was set as "A Christmas of Yesteryear" and the colors were red, green, and gold. The couples danced the night away until 12:00 a.m. when door prizes were awarded. Couples took leave at 1:00 with memories of a lot of good times in their minds.

Even though rain drizzled from the sky, people filled the stand to capacity. Excitement was already in the air as the junior varsity dominated Rio Vista.

Anxiously in the distance awaited the four homecoming candidates. Taking the lead making their way around the field was Cindy King escorted by Lance Roberts and driven out by Stephanie Wolf. Second in the line-up was Rhelda Tollett accompanied by Mike Johnson and chauffered by David Calais. Adorning the third car was Laura Beishline who was escorted by Aaron Collins. Her driver was Debbie Benitez. Waiting patiently with her driver, Tim Lucke, and with her escort for the night, Bernie Quinn, Sherri Boone made her way around the field.

Head cheerleader, Jill Wilson proudly crowned and congratulated Laura Beishline as she was named Homecoming Queen 1986, while the other cheerleaders placed the sashes, and filled the hands of the princesses with flowers.

Taken to their seats by their escorts, the Queen and her court enthusiastically watched the varsity game. The night had just begun as they were driven to their dance at the gym after. The night would truly be one to be remembered...

This school year, Argonaut High School had a guest. His name is Ruben Dario Holgado. He's from Cusco, a city in Southern Peru. Ruben is 18 years old and became a foreign exchange student through A.F.S.(American Field Service) International/ Intercultural Program.

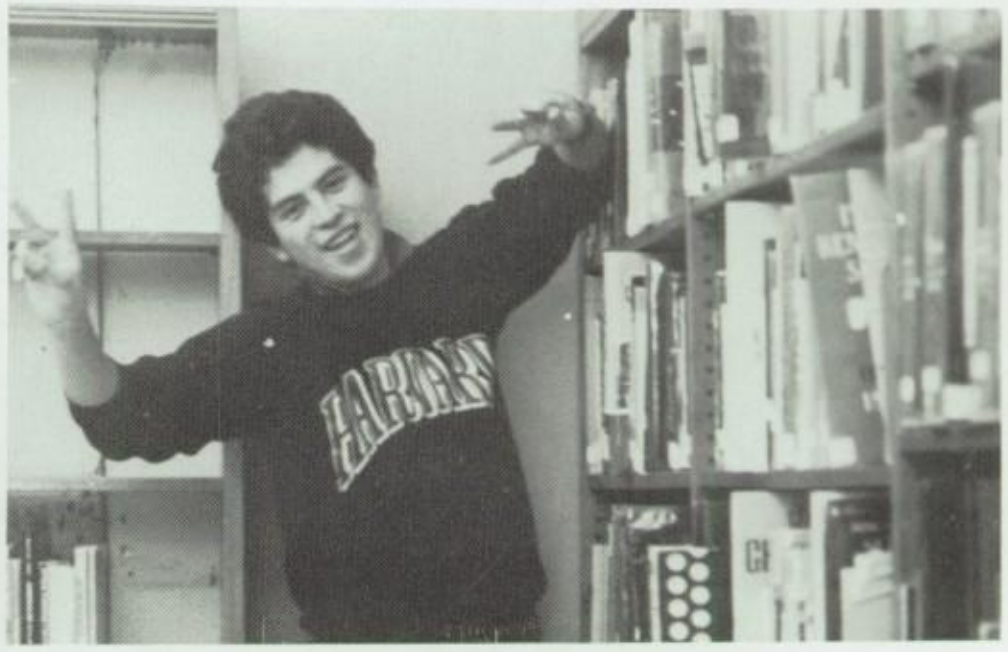
Ruben likes the United States but he misses his family which consists of a younger brother and sister, his parents and his grandparents.

Among other hobbies, Ruben has a stamp collection with approx. one thousand stamps. He enjoys listening to intrumental music, reading a variety of books, and making new friends. Some of his favorite sports include soccer, racketball, and swimming.

His host family for the year was the Richmonds of Ione. He goes to school with Noele, the oldest child, who was a Junior this year. He also had a host brother, Aaron, who is an eighth grader at Ione Senior Elementary. The hosting parents are Joanne and David.

This is an excellent experience for Ruben, one he will never forget. He has learned a variety of things about the United States and has also expanded greatly on speaking the English language.

Ruben would like to thank A.F.S. and Argonaut High school for this once in a lifetime opportunity. He also wants everyone who is interested in becoming a foreign exchange student to know that it is a great experience and they can look into it through Mrs. Crowder, who is the A.F.S. advisor on our campus.



I'm having a Great time at Argonaut! I have met alot of great people this year. Thanks to everyone for a special year. I'll never forget the fun times (dances, parties & Government class) ☺

EDITORS' NOTES

In my second year of being an editor, I have to say, this has been quite a year for all of us in this class. For the first few weeks we were without a teacher. Even when we got a teacher, we didn't have a lot of working space for a month or so, until we got a classroom.

I think this yearbook is proof that we have handled all of our problems quite well. This is our first year with a new teacher, and I'd like to thank Mr. Kelly for his help and patience.

I'd especially like to thank Mr. Carder and Mr. Collins. I'd like to thank Mr. Carder for putting up with our complaints at the beginning of the year and making things better for us. I'd like to thank Mr. Collins for his help in planning the book and on our pages, and for getting great pictures for us.

I'd like to thank the staff, coaches, and advisors for their co-operation. I'd like to thank, most of all, the yearbook staff for all their co-operation and for getting thier assignments done.

I hope you enjoy this yearbook for along time and it keeps your memories in motion.

One can never tell exactly what kind of a job or how well one will do at that job, until one gets that job. Well, I got the job of Editor of Yearbook and it was difficult to say the least. But I did it to the best of my ability, although I didn't do it alone.

First, I'd like to thank Mr. Kelly for stepping in as our advisor this year, he was a real lifesaver. I'd also like to thank most of the yearbook class for their hard work and also the photography classes for the: pictures they supplied us with. Lastly, I want to thank Mr.Collins. He was more or less my savior throughout the year. When I got mad, I went to him; when I was frustrated, I went to him; when I had questions, I went to him. I always knew that Mr. Collins would be there for me with a helping hand or an assuring smile and I appreciate him more than I could ever express. Thank you Mr. Collins.

Now, I'd like to wish the class of '87 all of the best luck. I know that this class has the strength and ability to succeed. Good Luck!!

I keep remembering that during the stressful times in yearbook and especially right now as there are many critics looking at our work, it was a comfort tokeep in mind the Formula for Failure=Try to Please Everbody.

Thank you, Janeen, for all the good times and all the memories! Eight Mile Road.

Sincerely,

Sherri Boone

MEMORIES NEVER END

NOT A DAY GOES BY WHEN I DON'T THINK ABOUT
THE MEMORIES WE'VE MADE

IT'S HARD TO LET THE GOOD TIMES WE HAD SLIP
AWAY

WE PLAYED GAMES TOGETHER, WE GOT OUR FIRST F'S
TOGETHER

WE COULD TALK OPENLY TO EACH OTHER AND UNDERSTAND

WE LEARNED TO DRIVE TOGETHER, WE EVEN LIKED THE
SAME GUY

BUT NOW WE ARE GOING OUR OWN WAYS-OFF TO COLLEGE
AND STARTING NEW LIVES

WE MIGHT TALK NOW AND THEN, BUT IT WON'T BE THE
SAME

WE WILL HAVE NEW FRIENDS AND NEW INTERESTS

WE'LL HAVE FAMILIES TO TAKE CARE OF AND JOBS TO
ATTEND

SO NOW ALL WE HAVE LEFT ARE MEMORIES....

THANK GOD!!... MEMORIES NEVER END
